

BLUE SEA

BEACH RESORT

**12 island South Aegean Greece.
Rhodes the capital of 12 islands.
12 reasons to feel safe and enjoy your holiday with
us.
Hotel Blue Sea welcomes you!**

Reception:

- Distance reminders and Banners for your information will be placed in all departments
- To avoid overcrowding during check in at the reception area, we have reserved our lobby as a comfortable waiting area. The appropriate layout between the seating arrangements will ensure that the social distancing requirements are met.
- Guests will have their temperature checked at the entrance, Masks/gloves will be provided upon request at the reception. Regular disinfection of key cards and keys.

Housekeeping:

- Deep cleaning of rooms with steam cleaner (> 90 C, killing 99% of all bacteria) in between check out and check in of our new guests.
All bed linen/towels are washed > 70 C.
- Extensive cleaning in all public areas, in particular high risk objects (e.g. doorknobs, elevator buttons etc.)
- Staff will be equipped with protective gear such as gloves, masks, robes and closed shoes

Restaurants / bars:

- Our show cooking buffet with multiple choices will be served by our catering staff.
- Appropriate spacing in between tables, and a limited entry in number of guests in the restaurant.
- Our 3 widespread terraces overlooking our pools and beach offer comfortable seating for guests in the open air. The main restaurant is operating with extended opening hours to avoid crowding.

Beach / pool area:

- We have a large sandy beach where each set of sunbeds with umbrella, are placed 4 meters apart.
- Our Big pool area with 2 large pools, ensure that there is enough space for every guest to enjoy safely while keeping appropriate distance. All pools are cleaned 4 times per day during operation, using filters with the latest technology and checked the water temperature.

Animation and Spa

- Activities take place only outdoors area and entertainment avoiding close contact.

Our Spa is operating with all necessary safety measures.
